

# National Chung Hsing University Department of Applied Mathematics Emergency Relief Fund Regulations

December 27, 2017 Passed by the Department Affairs Meeting

- Article 1 The Department of Applied Mathematics (hereinafter referred to as “the Department”) has created an emergency relief fund (hereinafter referred to as “the fund”) to support students whose families have suffered from major unexpected incidents.
- Article 2 Funding for the fund is provided through donations from Department alumni.
- Article 3 Fund applications are reviewed by the Academic Committee (convened by the Department chair).
- Article 4 Students of the Department may apply for the fund, and will, in principle, receive a sum of NT\$10,000 to NT\$30,000 once their applications have been approved.
- Article 5 Students must submit the following documents to the Department Office within six months of an unexpected incident:  
A brief description of the major unexpected event and relevant supporting documents, signed by the students’ academic advisor.
- Article 6 These regulations and any amendments made hereto shall take effect upon passage by the Department Affairs Meetings and approval by the University president.
