

National Chung Hsing University Doctoral Program in Data Science and Industrial Analytics Scholarship and Assistantship Regulations

October 4, 2019 Formulated by the Program Meeting

June 10, 2020 Passed by the Program Meeting

December 22, 2020 Passed by the Program Meeting

Article 1 The Doctoral Program in Data Science and Industrial Analytics (hereinafter referred to as “the Program”) has created the Doctoral Program in Data Science and Industrial Analytics Scholarships and Assistantships (hereinafter referred to as “the scholarships and assistantships”) to support Program development and to award students with outstanding service performance.

Article 2 Funding for the scholarships and assistantships is provided through donations recorded under account H314A.

Article 3 The Program director is responsible for managing and overseeing the implementation and maintenance of the scholarships and assistantships, and convenes a committee to review the scholarship and assistantship application and allocation process.

Article 4 The scholarships and assistantships are awarded to eligible students of the Program, with a minimum of NT\$100,000 awarded per student per year. The scholarships and assistantships are disbursed on a monthly basis.

Article 5 Eligibility requirements:

- (1) Applicants must be students of the Program.

Article 6 Disbursement of the scholarships and assistantships will be suspended if students take a leave of absence or withdraw from the Program.

Article 7 These regulations and any amendments made hereto shall be implemented upon passage by the Academic Affairs Meetings and approval by the University President.
