

**National Chung Hsing University Doctoral Program in Data Science
and Industrial Analytics
Curriculum Committee Organization Regulations**

October 4, 2019 Formulated by the Program Meeting

- Article 1 The Doctoral Program in Data Science and Industrial Analytics (hereinafter referred to as “the Program”) has established the Program Curriculum Committee (hereinafter referred to as “the Committee”) in accordance with the National Chung Hsing University *Organizational Charter* and Article 5 of the National Chung Hsing University *Curriculum Committee Organizational Regulations*.
- Article 2 The Program director shall serve as an ex-officio member and convener of the Committee and shall appoint at least five faculty members and one student representative to the Committee. Committee members have a term of office of one year but may be reappointed. When deemed necessary, relevant individuals, experts, scholars, industry representatives, and alumni may be invited to participate in curriculum discussions.
- Article 3 The Committee’s responsibilities shall include planning, reviewing, amending, and developing the Program’s curriculum frameworks, course credits, and content.
- Article 4 The Committee shall convene at least once per academic year to review and discuss curriculum frameworks and make the necessary adjustments.
- Article 5 These regulations and any amendments made hereto shall take effect upon passage by the Program Meetings and approval by the college dean.
