Notes:

1. Implemented based on departmental meeting resolutions.
2. Each time slot is divided into: Morning 8:00-12:00, Afternoon 13:00-17:00.
3. Venues are generally not available outside working hours unless specifically approved by the department chair. Rental fees for non-working hours are calculated as holidays, with additional staffing fees charged.
4. Applications for usage are not permitted during teaching hours.
5. Relevant documents (e.g., lecture announcements, seminar schedules) must be attached when applying.
6. Students may use venues free of charge for non-profit purposes. Student events with charges follow the fee standards for College of Science units.
7. Units using venues must pay the rental fees to the cashier's office before usage. Any damages to equipment must be compensated at cost, and venues and equipment must be restored to their original condition after use.
8. If financial difficulties occur, College of Science units may request flexible arrangements from the department chair.
9. University units, groups, or organizations are prohibited from renting venues on behalf of others to evade fees. Violations will be reported for disciplinary action once verified.
